

# Federal agency for medicines and health products

CTR State of play

23 January 2019

## What is new:

- Member states in Europe steadily prepare for CTR.
- EUPD portal work: is intensified.
- In BE: Zero fee for sponsors for CTR Pilot dossiers: Financing mechanism for ethics committees and agency is published.
- Budget for CTR Pilot is confirmed.
- Recruitment at agency and college continues.
- Continuously improvements of the way of working (trainings, guidelines, templates, risks analysis, ...)

A large, stylized graphic of an eye in shades of blue and grey, centered in the background. The eye is composed of a large outer arc, a smaller inner arc, and a central circular pupil with a white highlight.

Your medicines and health products,  
our concern
